3. Financial Advisory Services. The advisor will perform a comprehensive financial assessment by collecting and organizing the Client's financial data. The Advisor will review the Client's current financial status, goals, objectives, personal investment style, and tolerance for risk. An Action Plan will be developed from this data, which includes one or more of the following areas:

- Legacy/Estate Planning
- Portfolio Management
- Securities Advice

4. Selection of Investment Objectives. Client has specified in the attached Schedule A, the investment objectives applicable to recommendations to be made and actions to be taken with respect to the Account and any investment restrictions which govern the Account. Chester Financial shall be entitled to rely on the information contained in Schedule A. It shall be Client's responsibility to promptly advise Chester Financial in writing of any changes or modifications in Client's investment objectives, any additional investment restrictions applicable thereto and any material changes in Client's circumstances which might affect the nature of recommendations with respect to the way Client's assets should be invested. Client agrees to promptly furnish Chester Financial with any and all documentation which Chester Financial may reasonably request. Client understands that Chester Financial does not guarantee the results of any recommendation, or the overall performance of the Account, and that loss can occur.

5. Trading Authorization. Client hereby grants Chester Financial complete discretionary trading authorization and appoints Chester Financial as agent and attorney-in-fact with respect to the Account. Pursuant to such authorization Chester Financial may, in its sole discretion and at Client's risk, purchase, sell, exchange, convert and otherwise trade in the securities and other investments in the Account on such markets, at such prices and at such commission as Chester Financial believes to be in the best interest of the Account. Adviser shall also have authority to

arrange for delivery and payment in connection with transactions for the Account, and act on behalf of Client and in all other matters necessary or incidental to the handling of the Account. This authorization does not grant Chester Financial permission to take delivery or possession of Client's funds or securities except for fees due to Chester Financial. Client acknowledges Chester Financial will not be responsible for any loss or liability incurred by reasons of any willful or negligent action or failure to act on the part of Client's Account custodian or broker.

This trading authorization is a continuing one and shall remain in full force and effect until terminated by Client or Chester Financial pursuant to the provisions of this Agreement. The termination of this authorization will constitute a termination of the Agreement.

6. Service to Other Clients. Client understands that Chester Financial may perform research, investment advisory and other services for clients other than those who have appointed Chester Financial as investment manager or adviser. Client recognizes that Chester Financial may give advice and take action in the performance of its duties to other clients, which may differ from advice given, or in the timing and nature of action taken, with respect to Client. Nothing in this Agreement shall be deemed to impose upon Chester Financial any obligation to purchase or sell or recommend for purchase or sale, for Client any securities or other investment which Chester Financial or its officers, employees or affiliates may purchase or sell, or recommend for purchase or sale, for its or their own account, or for the account of any other client. Nothing in this Agreement shall be construed to restrict the right of Chester Financial and its officers, affiliates and employees to act as investment managers or to perform investment management or advisory services for any other person or entity.

7. Execution of Transactions. Except as provided below, Client directs Chester Financial to execute all securities transactions for the Account through the broker-dealer, custodian or issuer designated by Client. Client understands that by designating one or more specific brokers, Client may or may not receive best execution. Best execution is defined as executing securities transactions in such a manner that the Client's total cost or proceeds in each transaction is the most favorable under the circumstances, taking into consideration such factors as commission rate, execution capability, financial responsibility and responsiveness to the Client and Chester Financial. Client understands that Chester Financial may choose to effect a securities transaction on behalf of the Account through or with a broker other than the one designated by Client only when Chester Financial reasonably believes in good faith that such other broker may effect such transaction at a price, including any brokerage commissions or dealer mark-up or markdown, that is more favorable to the Account than would otherwise be the case if the transaction were effected through Client's designated broker-dealer. In such event, Client authorizes Chester Financial to establish and trade in accounts in its name with members of national or regional securities exchanges and FINRA., including "omnibus" accounts established for the purpose of combining orders of more than one client. Any fees charged by any broker or dealer will be charged to the Account.

Chester Financial will not maintain custody of Client securities or funds. 9. Reports. Reports regarding the value of assets in the Account are prepared and sent to Client by Clients' Account custodian.

10. Fees. A one-time **\$650.00** set-up fee is due at the execution of this Agreement, which covers the review of current financial status, including: assets, liabilities, income, expenses, analysis of Client's risk profile and investment style, creation of Clients Action Plan, personal Asset Allocation Model and/or Investment Policy Statement, research of investment products appropriate for Client's risk tolerance, and the implementation of Client's portfolio; upon payment of the set-up fee, there is no obligation that the client follow Advisor's recommendations or use Advisor's account management services.

Annual fees are negotiable but are generally based on the following, declining tiered schedule. Client agrees to compensate Chester Financial on a calendar quarterly basis, before Investment Services are provided, in accordance with the fee initialed by Client below. _____ (b) *Negotiated Fee*:

_____ (d) Fixed Quarterly Fee: \$ _____

Fees shall be calculated on the basis of the market value of the assets maintained in the Account, including any cash balances in the Account held in a money market fund. These fees are payable quarterly in advance, based on the value of portfolio assets of the account managed by the Advisor as of the opening of business on the first business day of each quarter. For the first quarter for new accounts, the fee will be based on the amount of the initial funding of the account and prorated from that date through the end of the quarter.

Assets deposited to the Account exceeding \$20,000 during any quarter will be charged a prorated quarterly fee based upon the number of days remaining in the quarter.

Asset management fees will be automatically deducted from the client account on a quarterly basis by the qualified custodian. The client will give written authorization permitting the Advisor to be paid directly from their account held by the custodian. The custodian will send a quarterly statement to the client and the Advisor will also send a quarterly invoice to the client outlining the fee calculation and the amount withdrawn from the client account. The management fee is payable in advance. Upon termination, any fees paid in advance will be prorated to the date of termination and any excess will be refunded to client.

Client hereby authorizes Client's Account custodian(s) to deduct any and all fees when due from assets held in the Account. Client also authorizes Chester Financial to liquidate, without obtaining prior permission from Client money market funds and other securities in the Account in amounts sufficient to cover Chester Financials' fees.

_____ **The fee set forth herein excludes all transaction costs including brokerage costs. Such brokerage costs, if any, and the costs or charges not included in the fee described herein will be separately charged to the Account. The Client may incur transaction charges by the Custodian on certain investment products, which charges are paid from client account proceeds at the time trades are executed, none of which is paid to Advisor. Certain "no load" mutual fund shares not held for a minimum time period, generally 90 to 180 days, may be subject to a redemption fee by the Custodian or by the Investment (mutual fund) Company. Mutual funds and other investments may charge deferred sales charges ("DSC") or short-term redemption fees on withdrawals or redemptions. We are not responsible for any DSC or short-term redemption fee charges incurred through the management of your account. Mutual Fund companies may charge other fees or costs associated with the management of their investments, which are described in the relevant Prospectus, and which are ultimately born by the Client. Chester Financials' fee schedules may be revised from time to time and as a result, fees published herein may differ from those currently being charged.
